Your fundraising toolkit
Causes for you to support, fundraising ideas and next steps to take
Students like Rhiannon are exceptional.

They are bright, enquiring and ambitious. In some cases, students like Rhiannon go on to change the world, or improve our understanding of it.

But students like Rhiannon have also had to face some unbelievable challenges to get to York, and will have to face more pressures as they complete their studies.

Through our flagship scholarships, your fundraising will recognise the odds that students like Rhiannon have overcome to get to York, and level the playing field for them.

Your fundraising will help to give students like Rhiannon equal access to opportunities to realise their potential.

“My physical disability and scoliosis have imposed challenges on my everyday life... Your fundraising has changed my life.”

Rhiannon, York Opportunity Award Recipient

We would love to be able to help every student that comes to us in need of help, but at the moment, we can only help 1 student for every 10 that need our support.

Your fundraising will narrow that gap. Your efforts will be vital in helping more students like Rhiannon realise their potential. Thank you.

Take a look at our three flagship scholarships, and choose the one that you’re most passionate about supporting.

• York Opportunity Award
• York Futures Scholarship
• Equal Access Scholarship

SET UP YOUR YUSTART PAGE

YuStart is York’s own version of Just Giving, and allows us to give you tailored advice and support through your fundraising. It’s easy to use and gives you something to share with friends, family and colleagues to help them give online – much easier than handling sponsorship forms (but we’ve got them too, if you need them!)

MAKE VIDEOS, TAKE PICTURES!

We find that people connect much more with photos and videos than a big paragraph of text, so try to take as many pictures and videos as possible – and make sure you’re asking for donations in them!

SHARE YOUR PAGE

Make sure that your page is widely visible on all your social media outlets and email signatures – anything to get the word out about your fundraising and why people should support you.
...AND KEEP SHARING!
Whenever you get a big donation, reach a milestone or do a fundraising activity, shout about it again! Generally, people are more likely to give when they see that you’re being really active in your fundraising.

GET YOUR SUPPORTERS GIVING GIFT AID!
If your supporters are UK taxpayers they can claim Gift Aid, making every £1 they give worth an extra 25p at no extra cost to them! This is a great way to maximise their donations and make all your hard work worth it!

And if you needed anymore motivation, remember what your support means for students...

£350 means I can afford to travel to conferences, show my potential and reach my goal of becoming a researcher – Megan, York Futures Scholar

£1,100 means I don’t have to worry about food banks to provide for me and my son for a year – Stephen, York Opportunity Award Scholar

£10,000 means I get the life-changing opportunity to continue my education and pursue my dreams – Maryam, Equal Access Scholar

...and any amount that you raise will help contribute to our mission to give all students equal access to a high quality education and educational opportunity.

Thank you!
Chris has raised over £50,000 to help support lung cancer research at York in memory of his wife, Georgie.

What you could achieve

When Chris’s wife, Georgina, died from lung cancer at the age of 37, Chris decided to do something incredible. He chose to raise enough money to fund someone to do a PhD in lung cancer research at York.

“Georgie wanted to help others who had been given the same devastating news that they’d been diagnosed with lung cancer. Unfortunately, the aggressive nature of her illness prevented her from beginning her fundraising,”

“So I decided to jog, run or walk at least 2 miles a day, every day, for a year.”

Chris has raised over £50,000 to fund the Georgina Gatenby Scholarship into lung cancer research at the University.

“When I set out with the idea of running daily, never did I fully comprehend the true power and resonance of Georgie’s love, humility, compassion, bravery and steely will. Because of the many and fantastic co-fundraisers and all the donors, the Georgina Gatenby Scholarship is now a reality.”

Because of Chris’ fundraising, we are one step closer to preventing lung cancer.

Join Chris today, and fundraise to support students who can go on to change the world.
